
DEPARTMENT B – OPEN CATTLE
Matt Korona, Superintendent (848-9869)
HAY WILL NOT BE FURNISHED

1. General Rules and Regulations as published in this catalogue govern this department.
2. Entry fee is 15 percent of the first premium with a minimum entry fee of \$3.00.
3. Cattle to be brought on grounds between 10:00 AM to 6:00 P.M. on Tuesday. State Fair cattle that have been exhibited must be brought directly to Fonda Fair with a note from State Fair.
4. Cattle may not be dismissed before 6:00 P.M. on Monday, Labor Day.
5. Members of a family may show In Exhibitor Herd Class as a unit as long as all entered animals are housed on the same farm. In doing this, each animal must be shown in an Individual class.
6. All animals must have been owned by exhibitor at least 30 days prior to entry.
7. Dairy cattle will be open to out of county residents – Out of county herds will be accepted on a space available basis with preference given to Montgomery & Fulton county residents first.
8. Registered and Grade Animals in final stage with appropriate papers may be exhibited. Registration papers to be produced when the animals are delivered, **along with their Health papers**. All papers to be at judges desk at time of judging.
 - Certificate of Veterinary Inspection with animals properly identified (see animal identification section)
 - Rabies vaccination is required for all cattle 4 months of age or older.
 - All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI).The date and results of the testing must be noted on the certificate of veterinary inspection.
 - All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair.
9. DHIA papers are required to be submitted.
10. Animals must have been awarded a first premium in order to be eligible for championship premiums.
11. Entries In "Exhibitor's Herd", "Dairy Herd", "Produce of Dam", and "Get of Sire" must also compete in a single entry.
12. All ages to be computed as of March 1 and September 1.
13. No smoking, drinking alcoholic beverages and/or parking by cattle barns and/or exhibits.
14. No stall fees. No Bedding or Hay provided.
15. No limit on number of cattle per family.
16. All buildings used for housing livestock will be thoroughly cleaned and disinfected by an authorized disinfectant.
17. Beef or steer class will be housed in another building if no room in the cow palace.
18. Any Bull 8 months or older must have a permanent ring in nose (Beef cattle are the only bulls allowed)
19. No refunds on entry fees.
20. Open class animals must be housed in open class facilities.
21. If animal is entered in Class 7 and it freshens before show, it automatically shows in Class 8, but you still must notify Secretary.
22. No changing in Judge's Book without notifying Secretary.
23. **You must be at least 5 years old and under 9 (by show date) to be allowed in the show ring and must be accompanied by a parent.**
24. Animals and Stalls should be presentable by 9:00 AM every day.

TO: ALL DAIRY EXHIBITORS
FROM: FONDA FAIR BOARD

Due to the severe penalties imposed by the State of New York Agricultural Department from the contamination of milk by antibiotics, we are forced to enact the following rules and regulations:

1. If antibiotics are detected in the milk, all users of the parlor facilities will have to supply a milk sample for each milking animal.
2. Individuals or parties found having antibiotics in milk, which was processed through parlor, will be liable for all financial loss created by contamination.
3. Individuals or parties responsible will be banned from livestock exhibition for a period of three (3) years.
4. Any tank of milk that gets rejected for any reason such as penicillin, etc., then NO ONE gets paid for that tank.

We regret having to take such severe measures, but find it necessary to protect all those individuals using the milking facilities.

A spray nozzle will be necessary on all hoses used to wash animals at the Fonda Fair due to the installation of water meters.

RULES FOR 4-H CATTLE BEING MOVED TO OPEN CLASS BARN

1. All rules are at the discretion of dairy superintendent and the superintendent's decision will be final.
2. These rules will apply as long as exhibitor's parents/family have cattle exhibited in the open class barn if they do not, you will automatically be placed in the 4-H barn.
3. Availability of stalls in the open class barn.
4. Small children with families in the open class barn will take first priority (under age 13)
5. Cows in milk
6. Older children with medical issues/special circumstances – to be discussed with the superintendents prior to stall assignments.
7. If the majority of cattle exhibited are 4-H cattle and there are only a couple family owned open class cattle – if there is limited space in the open class barn then all of these cattle will be moved to the 4-H barn, i.e. 4 animals are 4-H cattle, and 2 are just open class animals and space if very limited all of these can be moved to the 4-H barn to keep the family together.
8. **Please do not reserve extra stalls for tack** – every effort will be made to make sure you have adequate tack stalls/space available for you. If this is not done voluntarily, a mandatory penalty fee may be charged in the future for any extra stalls you reserve above and beyond the actual number of animals you bring.
